INFORMED CONSENT TO CHIROPODY TREATMENT

I hereby request and consent to Chiropractic treatment, including various modes of physical therapy, on me by the Chiropractor and/or anyone working in the clinic authorized by the Chiropractor.

I have had an opportunity to discuss with the Chiropractor and/or with other clinic/office personnel, the nature and purpose of Chiropractic and other procedures. I understand that results are not guaranteed.

I understand and am informed that there are some very slight risks to treatment, including, but not limited to pain, swelling and infection. I do not expect the Chiropractor to be able to anticipate and explain all risks and complications and I wish to rely on the Chiropractor to exercise judgment during the course of the procedure which the Chiropractor feels at the time, based upon the facts then known, is in my best interests.

I have read the above consent. I agree to the above-named procedures. I intend for this consent form to cover the entire course of treatment for my present condition and for any future conditions(s) for which I seek treatment.
